75% polyester with bamboo charcoal/17% polyamide/8% elastane
160 g/m²

Single jersey fabric. Yarns made of natural charcoal/bamboo achieve their unique characteristics through a special manufacturing process. During this process, the bamboo is burned in stages and the derived product is then blended into the natural coloured yarn. Therefore, the colour tone may vary from time to time.

Industrial care category C2

Certifications

- The material is made with burnt bamboo which makes the product insulating, moisture wicking and anti-bacterial.
- Elastic fabric that fits the body's curves
- Quick drying - important to avoid cooling of the body.
- Fits both men and women thanks to its elasticity.

Technical info

Light weight. Flexible fabric that fits to the body. Anti-bacterial (Test JIS L1902:2002) and moisture wicking. Quick drying. Suitable for both men and women. High comfort without side seams (sizes: S-XL). Washing Instructions are seamlessly interwoven - to avoid irritating labels.
