

CERTIFICATE

The company

Mascot International A/S
Silkeborgvej 14
7442 Engesvang, DENMARK

is granted authorisation according to STANDARD 100 by OEKO-TEX® to use the STANDARD 100 by OEKO-TEX® mark, based on our test report **51400**

for the following articles:

Garments made from dyed and printed knitted and woven fabrics - cotton, polyester, polyamide, Modal, elastane, polyacrylic, wool, polyurethane, viscose, carbon fibre, Lyocell Tencel®, Kevlar® and blends of these fibres. Including accessories: sewing and embroidery threads, printed and woven labels, badges/logos, zips, buttons, linings, tapes, plastic and metallic components, hook and loop fasteners, elastic, webbing, foam, padding and ribbons. Partially based on pre certified material according to Standard 100 by OEKO-TEX®. Some garments may contain flame retardant products approved by the OEKO-TEX® Association.

The results of the inspection made according to STANDARD 100 by OEKO-TEX®, Appendix 4, **product class II** have shown that the above mentioned goods meet the human-ecological requirements of the STANDARD 100 by OEKO-TEX® presently established in Appendix 4 for products with direct contact to skin.

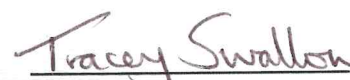

The certified articles fulfil requirements of Annex XVII of REACH (incl. the use of azo colourants, nickel release, etc.), the American requirement regarding total content of lead in children's articles (CPSIA; with the exception of accessories made from glass) and of the Chinese standard GB 18401:2010 (labelling requirements were not verified).

The holder of the certificate, who has issued a conformity declaration according to ISO 17050-1, is under an obligation to use the STANDARD 100 by OEKO-TEX® mark only in conjunction with products that conform with the sample initially tested. The conformity is verified by audits.

The certificate 5548 is valid until 23.04.2020

Manchester, 02.04.2019
